How to download fonts

Guillaume Rodier

This tutorial will show you how to download a font with Signmax.us Membership.

STEP 1

Log in our account.

The screenshot shows the Signmax.us website header with the logo and contact information. On the right side, there is a navigation menu with 'Logos' selected. Below the menu, there is a shopping cart icon showing '0 Items | Total \$0.00 (US)' and a 'Search' button. The 'Log In' link is circled in red. Below the header is a red navigation bar with links for SOFTWARE, VINYL CUTTERS, PRODUCTS, ACCOUNT, SUPPORT, CONTACT US, and FORUM. The main content area is titled 'Fonts & logos membership login' and contains a login form with fields for 'User Name' (containing 'yvon') and 'Password' (containing 'yvon'). There are buttons for 'Create your account' and 'Log In'. Below the login form, there is a promotional message: 'Register your WinPCSIGN and get 3 month fonts & logos membership trial'. At the bottom, there is a link recovery form with the text 'If you lost your password just give us your email.' and an 'Email' field with a 'Submit' button.

This screen show that you have successfully log in your account.

Step 3

Search a font: Enter a font name like “arial” in the search textbox and click on search button. Or you can scroll and search for the right font.

The screenshot shows the Signmax.us website header with contact information and navigation links. Below the header is a red navigation bar with links for SOFTWARE, VINYL CUTTERS, PRODUCTS, ACCOUNT, SUPPORT, CONTACT US, and FORUM. The main content area is titled "Signmax.us Fonts & Logos search fonts". A dark blue bar contains the text "Membership -> fonts search". Below this, there is a section for questions about the search engine, followed by a search form with a text input containing "arial" and a "Search" button. An "Index pages" dropdown menu is set to "5 - AQRE9 - Amprior". A scrollable list of fonts is displayed, with "Arial Rounded MT Bold" highlighted in blue. A "Download" button is located at the bottom right of the list.

Once you have find your fonts, select in (the line will be in blue) like the **Arial Rounded Mt Blod** and click on the the Download button.

Step 4

This screen will show the font to download if this is not the right one, go back and redo the search process. If this is the right font, click on the font name link (“**Arial Rounded MT Bold.zip**”). Notice that we have put all the instruction on how to install the fonts in your computer below **Download & Installation instructions**.
